

# Fren-L 650

In the studio or on location, for those who love the beautiful light quality of a fresnel, there is simply no better choice than the Lowel Fren-L 650.

Designed with input from working professionals, the Fren-L 650 features an oversized swing down handle, a pop-up scrim holder for easier access, double walled convection cooling, and a single arm stand-fitting yoke for a generous tilting range without the cable snarl.

With an impressive 8:1 focusing range, it glides from an exceptionally wide even flood to a tight spot with sharp shadow quality.

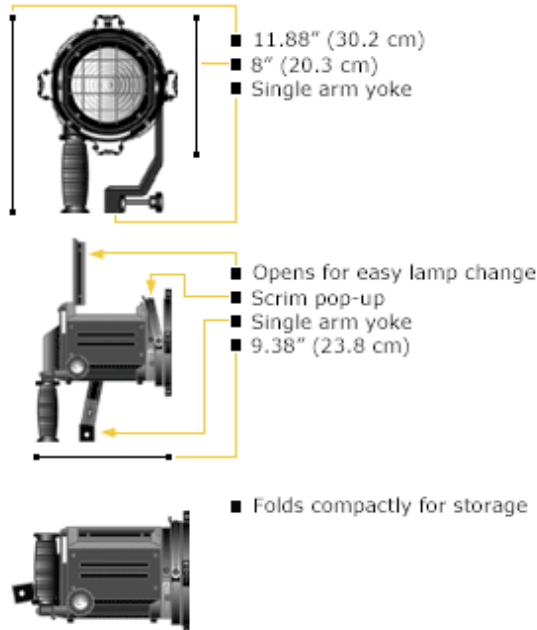

Highest quality curved Schott Fresnel lens (Borosilicate glass).  
 Unique scrim pop-up lever.
