

LiteDome xs Accessory Hardware / for Round Handled Flashes

Product Info

SKU: AC-B238HMS

[Instructions](#)

The **Round Handle Mount Hardware** (AC-B238HMS) is designed to fit round-handled flashes to our LiteDome xs soft box.

The AC-B238HMS hardware connects the basic connector (AC-200SC) to the soft box.

Use with our Shoe Mount Multiclip (AC-BSWCP) for tilt capability when using a light stand.

Accessory Hardware has a 5 year warranty.

Features and Benefits

- Use your on round handle style flash with a soft box on a camera bracket
- Use your on round handle style flash with a soft box on a light stand
