

Rifa-lite ® 44

Rifa 44 is the newest addition to the Lowel Rifa family. Its 16" diffusion screen and 21" collapsed length make it ideal for compact kit run & gun lighting. Power it with AC at max. 300w, or switch cables & lamp it at 50 or 100w for DC operation. Ideal for lighting closeup interviews, small area tabletop shoots, webcasting & more.

- Permanently mounted tungsten halogen lamp fixture, centered in collapsible silver aluminized high temperature Nomex® housing.
- Max. 300w lamp with AC, with 105, 125, 200 & 250w options.
- State of the art woven glass fabric front diffuser offers exceptional heat resistance. Front diffuser must always be used.
- Easy access pockets on fabric shell allow clip-on gel attachment for correcting to daylight.
- Light controlled with fold-up accessory fabric Egg Crates.
- A variety of kit options are available.
- Accessories include fabric Egg Crates, higher output Diffusers for sharper shadows, Balance Bar for more versatile positioning, plus many standard Lowel mounting accessories.
